Another hot day and this time at Brancepeth Castle Golf Club in Durham. Very pretty course, fortunately there was a cooling breeze and a little cloud cover later on. Brenda was still unable to join us and also Janette as she had to self-isolate due to being track and traced. Fliss Holloway came in at the last minute as a very welcome new member. Without a practice round and playing an opponent on her own course she put up a great fight. As ever the squad battled on. Kathryn had a great win against their champion, Nicola won the 17<sup>th</sup> and 18<sup>th</sup> to halve her match. Rosie led from the start and had a great win and Alyson had a super win as well. The match was played in great spirit and Brancepeth made everyone very welcome
