YORKSHIRE WON 6 to 1			

Very very hot day at Oakdale Golf Club in Harrogate. Typical Yorkshire tree lined parkland course with very little breeze. The strength of the Yorkshire team was very apparent with all handicaps 2 or below. Brenda having been picked for the jamboree squad was unable to join us as she had to self-isolate due to being track and traced. As ever the squad battled on always smiling and digging in. Trudy was able to keep her opposition rattled and came home with a great win. I had a few problems with buggies finishing up with a flat tyre among other problems. The match was played in great spirit and Oakdale looked after us very well.
